What We Do:

NYMEP works closely on the federal level, staving off proposals such as competitive bidding and providing input for federal policymakers on sound public policy.

- NYMEP represents its members' interests on numerous issues such as Medicaid prior approval and Medicaid/Medicare dual eligibility.
- NYMEP works on behalf of its members on Medicare issues by maintaining a strong presence on the Region A Council, which acts as a liaison between state associations in Region A, NHIC, Tricenturion and CMS.
- NYMEP educates its members on various significant legal and fiscal issues affecting the entire industry, including policies on audits, fraud and abuse, HIPAA, and other issues of importance to the HME community.
- NYMEP members receive Medicare, Medicaid and legislative updates through communication mechanism such as monthly newsletters, blasts and conference calls.
- NYMEP's legal counsel and lobbyist offer tremendous expertise in industry-related issues and has provided invaluable information to our members.
- NYMEP members can participate in educational seminars throughout the year, conducted by industry experts and receive discounted registration fees.
- NYMEP members can participate in the Worker's Compensation Safety Group
- As a member of the American Association for Homecare and National Coalition for Assistive and Rehab Technology, NYMEP strives to represent its members' interests on national issues affecting the HME industry.

*Supporting the industry that
provides quality medical equipment
and services at home.*
